

Timur Qader

Executive Director, Project and Procurement Services

Timur Qader joined CIS in 2020, serving as the Executive Director of Project and Procurement Services. Timur supports CIS's mission through his work to expand executional efficiency and strategic decision making. His primary responsibilities are ensuring sound decision making across the CIS portfolio of investments, and delivery of key capabilities within the boundaries of schedule, scope, and cost.

Prior to CIS, Timur worked for GLOBALFOUNDRIES, where he served as the Chief Information Security Officer and head of Global Network Services. In his 20+ years of technology management and leadership, he has led global IT infrastructure teams, mergers and acquisitions efforts, and program management. He has worked in a variety of industries including telecommunications, wireless and semiconductor, where Timur honed his leadership skills to drive change and excellence in execution.

Timur earned a Bachelor of Science in Mechanical Engineering from the University at Buffalo, and holds advanced degrees in business and information security.
